WALTHAM FOREST, ANTIGUA & BARBUDA AND DOMINICA TWINNING ASSOCIATION

A family friendly event bringing the community together and raising funds in support of rebuilding Barbuda and Dominica

In September 2017 Barbuda and Dominica sustained catastrophic damage as a result of Category 5 Hurricanes Irma and Maria.

The Twinning Association (a voluntary community group based in Waltham Forest) is raising awareness and much-needed funds.

The Twinning Association is also fundraising for the Mayor's chosen charity, Diabetes UK. The Mayor is undertaking fundraising activities in conjunction with Diabetes UK to support local borough-based diabetic services and raise awareness of the impact of diabetes on people's health.

Do support this important event!

Donations: 'WFA&BDTA The Disaster Fund',
Sort Code 60-22-23 A/C 72657243, stating your 'Name'.

In collaboration with ABNA and DONA
