The SS Empire Windrush arrived at Tilbury docks on 22 June 1948 carrying passengers from the Caribbean. They were invited by Britain to assist with post-war reconstruction. Many of this generation resided in Brent, becoming part of the fabric of the borough with a lasting legacy. We would like to honour the contribution of the Windrush Generation at the First Annual Windrush Afternoon Gala Celebrations.

All proceeds will go the Mayor of Brent 2019-2020 chosen charities, and the West Indian Self Effort (WISE), which provides day care facilities for the elderly in Brent and neighbouring boroughs.

SATURDAY 22 JUNE, 2-8PM
TICKETS ARE £40
